Accreditation

The Minerva Schools at KGI (MSKGI) are part of Keck Graduate Institute (KGI), which is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC), 985 Atlantic Avenue, #100, Alameda, CA 94501, (510) 748-9001.

Course Numbers

Each course number begins with a one or two letter prefix. Prefixes indicate the school or program offering the course (e.g., AHxxx is offered by the College of Arts and Humanities). The number after the prefix indicates the class level:

- 01-99 are first-year courses
- 100-139 are core courses
- 140-169 are concentration courses
- 170-199 are tutorial and capstone courses
- 300-399 are graduate level courses

Unit of Credit Definition

A semester credit hour (CR) is an amount of work represented in intended learning outcomes and

verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than: (1) One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester; or (2) At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

Grades Used in Calculating GPA

The following table defines the performance level and GPA points associated with each grade:

Grade	Performance	Grade Point Equivalent
A+	Excellent	4.0
A	Excellent	4.0
A-	Excellent	3.7
B+	Good	3.3
B	Good	3.0
B-	Good	2.7
C+	Sufficient	2.3
C	Sufficient	2.0
C-	Sufficient	1.7
D	Deficient	1.0
F	Failing	0.0
Pass	Satisfactory Completion	N/A
No Pass	Unsatisfactory Completion	N/A

Other Grades and Transcript Notations

The Minerva Schools use the following to define transcript notations:

- **I** = *Incomplete*
- **W** = *Voluntary Withdrawal*
- **AW** = *Administrative Withdrawal*
- **IP** = *In Process* denotes a course that is still being taken or is in the process of being graded

Grade Point Average

Grade point averages (GPAs) are determined by multiplying the number of grade points for each course letter grade by the number of course credits, taking the sum of the resulting products, and dividing by the total number of course credits attempted for a letter grade by the student. Courses taken as Pass / No Pass (P/NP) are not considered in GPA calculations. MSKGI calculates GPAs for each semester and a cumulative GPA. Courses are not considered in the Cumulative GPA while they are still In Progress.

Transfer Courses

The GPA for transfer credits is not included on the transcript. The cumulative GPA shown is based solely on MSKGI courses.
